

Crowns

Secrets of the Moon

Is it distasteful to label the tasteful?
Or was I unstable, I cradled the hateful? Is it unfaithful to label the faithful?
Or is it a factor to act like an actor
To act like an actor? There was never any doubt
When you're in you're always out
With the grace of an angel There was never any doubt
When you're in you're always out
With the grace of an angel
With the grace of an angel
With the grace of a Is it distasteful to cradle the grateful?
Or is it a factor to act like an actor
To act like an actor? There was never any doubt
When you're in you're always out
With the grace of an angel There was never any doubt
When you're in you're always out
With the grace of an angel
With the grace of an angel
With the grace of an angel There was never any doubt
When you're in you're always out
When you're always out
Crowns on killers
Crowns on killers Get up, get up, get up, get up
Get up, get up, get up, get up
Get up, get up, get up, get up
Get up, get up, get up, get up Get up, get up, get up, get up
Get up, get up, get up, get up
Get up, get up, get up, get up
Get up, get up, get up
