Little Big Town

Magnavox in the living room
CBS and NBC
Clothesline tent in the back yard
Hockey game playin' in the street Deck of cards in the kitchen
Cool breeze from our screen door
Grandma readin' love letters
Grandpa wrote her in the war Free
All those memories
Free
Didn't cost us anything All the shiny cars, perfect yards
Chasin' store bought dreams
We work so hard to have it all
When all the things we want are free Got your accent from your hometown
Sense of humor from your dad
Get your green eyes from your mother
God knows you can't buy that They'll charge you for your 6-pack
But your friends are always there
A few extra bucks in the offering plate
Even though you can't buy a prayer Free
All those memories
Free
Didn't cost us anything All the shiny cars, perfect yards
Chasin' store bought dreams
We work so hard to have it all
When all the things we want are free Free
All those memories
Free
Didn't cost us anything All the shiny cars, perfect yards
Chasin' store bought dreams
We work so hard to have it all
When all the things we want are free Free
Free
