All Summer Long

Beach Boys

Sittin' in my car outside your house
(Sittin' in my car outside your house)
'Member when you spilled Coke all over your blouse?
T-shirts, cut-offs and a pair of thongs
(T-shirts, cut-offs and a pair of thongs)
We've been having fun all summer longAll summer long, you've been with me
I can't see enough of you
All summer long, we've both been free
Won't be long 'til summer time is through
Summer time is through, not for us nowMiniature golf and Honda's in the hills
(Miniature golf and Honda's in the hills)
When we rode the horse, we got some thrills
Every now and then we hear our song
(Every now and then we hear our song)
We've been having fun all summer longWon't be long 'til summer time is through
Summer time is through, not for us now
Every now and then, we hear our song
(Every now and then, we hear our song)
We've been having fun all summer longWe've been having fun all summer long
(We've been having fun all summer)
We've been having fun all summer long
(We've been having fun all summer)
We've been having fun all summer long
(We've been having fun all summer)
