

I Love You (Original Performance Series)

Martina McBride

The sun is shinin' everyday
Clouds never get in the way
For you and me.
I've known you just a week or two
But, baby, I'm so into you
Can hardly breathe. [Chorus]
And I'm in so totally wrapped up
Emotionally attracted, so physically actin'
So recklessly I need you
So desperately sure as the sky is blue
Baby, I love you. I never knew that I could feel like this
Can hardly wait til our next kiss
You're so cool.
If I'm dreamin' please don't wake me up
Cause, baby, I can't get enough
Of what you do. [Chorus] And I'm in so electrically charged up kinetically
Actin' erratically, need you fanatically
You get to me magically
Sure as the sky is blue
Baby, I love you. I can't believe that this is real.
The way I feel.
Baby, I'm gone head over heels. [Chorus] Baby, I love you.
Do you love me too?
Baby, I love you.
