Get Down

Busta Rhymes

Aiyyo, ah to my people on the left, get down
Uh-huh, to my people on the right, get down
Uh-huh, ah to my people in the middle, get down
Check it
You see a fresh off the grill nigga keepin' it hot
Now watch it spread all through the hood I'm back controllin' the block
With one of rap's greatest ever Timbaland production
Y'all niggaz know just what to do, go 'head, follow instructions
When the God's in the building, get down
Uh-huh, I know you niggaz know the feelin', get down
Alright and if you ready and you willin' say yo
Okay, throw your hands to the ceiling, get down
Alright, go 'head and stack another million, get down
Jumpin' around like you ain't really carin', get down
Ladies rippin' off everything they wearin' hey yo
I'm on top of the throne nigga, you know I ain't sharin', get down
Now you know; I wanna hear you say it
Do do, doh, do, do, doh
I wanna hear my muh'fuckers say it
Do do, doh, do, do, doh
A lil' louder muh'fuckers say it
Do do, doh, do, do, doh
C'mon, a lil' louder nigga, say it
Do do, doh, do, do, doh
Until the block start blowin' blowin' up, get down
Uh-huh and e'rybody throwin' up, get down
'Til they got the fire marshal showin' up, get down
Or until the club start closin' up, get down
Okay, see how a nigga walk through 'em
When the beat put a spark to him
Let me just talk to 'em ladies quit'cha man
Go 'head put them plans off ladies, well, okay
Go 'head and piss your man off , ladies
Take your pants off and shake it for 'em
(Shake it like a dog for 'em)
And put your ass on 'em
(Shake it like a dog for 'em)
Go 'head and spaz on 'em
(Shake it like a dog for 'em)

Now put the mash on 'em
(Shake it like a dog for 'em)
Okay, now from the root to the tree to the top of the building
See they ain't fuckin' with me killa, hit 'em
Boom bap as far as you can see, got 'em bouncin' and hoppin'
Nigga you can't stop me scrilla hit 'em
Well okay and if you with me say it
Do do, doh, do, do, doh
I wanna hear my muh'fuckers say it
Do do, doh, do, do, doh
A lil' louder muh'fuckers say it
Do do, doh, do, do, doh
C'mon; a lil' louder nigga, say it
Do do, doh, do, do, doh
Yeah, well, okay and while you niggaz party shit
I spit a jewel for the thug
Before a nigga try to front make sure your tool in the club
That ain't the basis of this shit, though it's true when it's love
They'll have you niggaz whylin' like a fuckin' fool on the drug
Now if you with me muh'fucker, get down
Uh-huh we gettin' gizzle muh'fucker, get down
Word to God; we make it sizzle muh'fucker, get down
Uh-huh, I'm on my grizzle holla back
Well ,okay, see how the God bounce back
While you niggaz just sound sloppy
Givin' you niggaz shit they'll be knowin' you can't copy
The way the God be spillin' all over the track
Get off my dick, tell your bitch holla back
C'mon, violate with me up in the spot is a no-no
A lot of niggaz shit trash, soundin' all so-so
Shinin' so much D's takin' my photo
Lower the brim of my fitted while I try to be low-pro
We gettin mo' cheddar while you stuntin' with no dough
Gotta skip the line shit movin' in slow-mo
Shorty whylin' out, try to hit with a low blow
With her crotch on my thigh, rubbin' all on her cho-cho
Shake yo shit till you fall on the flo'
Sho' we be fuckin' class bitches, I ain't fuckin' with no hoe
Bust two shots, let me hear it
'Til the security get para' when they callin' the po'-po'
If you with me say it
Do do, doh, do, do, doh
I wanna hear my muh'fuckers say it
Do do, doh, do, do, doh
A lil' louder muh'fuckers say it

Do do, doh, do, do, doh
C'mon; a lil' louder nigga, say it
Do do, doh, do, do, doh
Get down, get down, get down, get down
Ladies, ladies, ladies
Shake it like a dog for 'em
Shake it like a dog for 'em
Shake it like a dog for 'em
Shake it like a dog for 'em
Hit 'em, hit 'em, hit 'em, hit 'em
