Jesus Loves Me

Ivan Parker

Jesus loves me
(Ivan Parker and the Gaither Homecoming Friends)

Jesus loves me
Jesus loves me
Loves me this I know
Gave Himself to die for me
Because He loves me so

How often have I failed Him
Struggling here below
How often have I stumbled
In my distress and woe

I know that He will take me
In His arms again
And never shall forsake me
In my alarm or pain

Man singing vocals with group in the background:

How often have I failed my Lord along my journey
How often have I stumbled in my struggle of this life here below
And then I know He'll take me in His arms again and not forsake me in my alarm or pain
Because He loves me
Yes He loves me so

How often have I failed my Lord
Oh, here below
And then I know He'll take me in His arms again and not forsake me
In my alarm or pain
Because He loves me
Oh, yes He loves me so
