

# A Shipwreck in The Sand (C3 Fight Fire With Fire)

## Silverstein

Once upon a time, before the lakes and rivers were polluted  
Before the animals were poached to extinction  
And before man had destroyed the earth's atmosphere  
There was a great ship  
This vessel was to venture into new waters  
To find new resources to make life easier and more enjoyable  
It was a simple mission for the crew, who were excited to be a part of this union  
They pledged their allegiance to the captain and vowed to be there no matter what  
In sickness, health, and possible death  
As time passed by, there was no new land to be found  
As the days grew shorter  
And the nights grew longer and colder  
The crew became more and more skeptical about the captain's vision  
Originally passionate and committed to being true and faithful, they now began to revolt  
You crossed the line  
I was honest and never promised anything  
Just a brotherhood to stand for something  
And everyone should take the lead  
Follow your dreams  
If you don't try you fail  
And we started  
And the captain went over  
He asked them why  
Their lives had changed  
There's no gold to be found  
No treasure in the ground  
We won't die for this  
We won't die for you  
You've lost your mind  
I was honest and never promised anything  
Just a brotherhood to stand for something  
And even if they disagree  
Follow your dreams  
If you don't try, you fail  
His dream is now  
A shipwreck in the sand  
They gave up  
Then made all their demands  
The storm consumed  
57 souls  
Died in vain  
His love they stole  
This union, a battle fought and lost  
This union was not about the cause

This union was never about love  
This union, this unionThis union, a battle fought and lost  
This union was not about the cause  
This union was never about love  
This union, this unionThis union, a battle fought and lost  
This union was not about the cause  
This union was never about love
