The Rock Show

Blink-182

Hanging out behind the club on the weekend
Acting stupid, getting drunk with my best friends
I couldn't wait for the summer and the warped tour

I remember it's the first time that I saw her thereShe's getting kicked out of school, 'cause she's failing I'm kinda nervous, 'cause I think all her friends hate me

She's the one, she'll always be there

She took my hand and I made it I swear'Cause I fell in love with the girl at the rock show

She said "What?" and I told her that I didn't know

She's so cool, gonna sneak in through her window

Everything's better when she's around

I can't wait 'til her parents go out of town

I fell in love with the girl at the rock showWhen we said we were gonna move to Vegas

I remember the look her mother gave us

Seventeen without a purpose or direction

We don't owe anyone a fuckin' explanationFell in love with the girl at the rock show

She said "What?, and I told her that I didn't know

She's so cool, gonna sneak in through her window

Everything's better when she's around

I can't wait 'til her parents go out of town

I fell in love with the girl at the rock showBlack and white picture of her on my wall

I waited for her call, she always kept me waiting

And if I ever got another chance, I'd still ask her to dance

Because she kept me waiting I fell in love with the girl at the rock show

She said "What?", and I told her that I didn't know

She's so cool, gonna sneak in through her window

Everything's better when she's around

I can't wait 'til her parents go out of town

I fell in love with the girl at the rock showWith the girl at the rock show

With the girl at the rock show

(I'll never forget tonight)

With the girl at the rock show

(I'll never forget tonight)

With the girl at the rock show

(I'll never forget tonight)

With the girl at the rock show

(I'll never forget tonight)

With the girl at the rock show

(I'll never forget tonight)

With the girl at the rock show

(I'll never forget tonight)
With the girl at the rock show
