

Joy Comes in the Morning

Bill & Gloria Gaither

If you've knelt beside the rubble of an aching broken heart
When the things you gave your life to fell apart
You're not the first to be acquainted with sorrow, grief or pain
But the master promised sunshine after rain

Chorus

Hold on my child joy comes in the morning
Weeping only last for the night
Hold on my child Joy comes in the morning
The darkest hour means dawn is just in sight

To invest your sees of trust in God in mountains you can't move
You have risked your life on things you cannot prove
But to give the things you cannot keep for what you cannot lose
Now, that's the way to find the joy God has for you

Chorus

Hold on my child joy comes in the morning
Weeping only last for the night
Hold on my child Joy comes in the morning
The darkest hour means dawn is just in sight
Yes, the darkest hour means dawn is just in sight itâ€™s just in sight
