

# Nuttin' But A Bitch Thang

## Icp (insane Clown Posse)

Now a days everybody wanna talk  
But nothin' comes out when they movin' they lips  
Just a bunch of gibberish  
An' muthafuckers act like Eminem ain't gay  
Everybody forgot, what happened? What up, Dre?  
Yeah, it's all about Dre, it's all about Dre  
Compton's in the house, yeah, that's right  
Compton is in the house  
Come here, pull down your panties, you little bitch  
Alright, hold up, dawg, go easy on me an' shit  
You about ripped my asshole last time  
Take some of this Compton dick  
Let me take off this white shirt so you can see my bird chest  
You wanna be famous? Uh huh, then spread that bitch ass  
It's all about Dre, yeah, Compton  
Ahh, dawg, you hurtin' me, dawg  
You the tightest Detroit rapper, you little bitch  
You rippin' my asshole, dawg  
Hold on a second, wait, don't bust, wait, oh, ahh, dawg  
Take allop this Compton dick, hold on, don't bust  
Do it on my lip like a milk ad, Compton's in that ass  
It's all about Dre, it's all about Dre, ahh, shit  
You wanna be famous, you little bitch?  
Don't tell Kim, dawg, please, it's all about Dre  
Now get the fuck out of here, ahh, shit  
Bitch boy, muthafucka  
You might have them 11 year old groupies believin' your shit  
But you ain't foolin' nobody, bitch  
You a motherfuckin' bitch, yeah, suck my dick  
You ain't never shot at us with no paint balls  
Matter of fact, you can come get these painted balls, muthafucka  
Come get these Juggalo painted balls, bitch  
You ain't never chased us out of no club, bitch  
The only club you ever chased anybody out of was a gay bar, bitch  
Straight outta Warren, bitch, you a joke  
Suckin' so much dick, your fuckin' lips smoke  
With your silly ass pretty boy rap  
Mean muggin' an' thuggin', sittin' on Dre's lap  
You pull a gat on my dawg, no bullets or nuthin'

You shakin', stumblin', nervous fumblin'  
Scared to death, screamin' for help  
So damn shook, you almost shot yourself  
Little radio thug with your preppy smile  
Got everybody hoppin' out at 35 mile  
Tellin' us we fake little faggot  
Bet I'ma gonna knock your teeth out the back of your neck  
You might have little girls cryin' an' shit  
But the Detroit thugs ain't buyin' your shit  
Now run you ass back to Dr. Dre an' open your butt  
You little goofy ass boy, get fucked  
Dumb ass, hoe ass, whack ass, fake ass  
Weak ass, hoe ass, biatch  
Eminem ain't nuthin' but a bitch, bitch

Weak ass, fake ass, mark ass, punk ass

That you gave to Twiztid so you could open up they show  
You little pussy ass hoe

We did it alone, without a D R E  
But he owns you an' fucks your butt like a pussy  
Husband, tell me where she at?  
Everybody be fuckin' that bitch, you don't see that?  
I know three people she fucked on you  
Up at Hot Rocks, she be fuckin' bitches too
