

Sun King (Edit)

The Cult

This is where it all ends
And the kinda dream that you've never seen
Well, yeah Hot damn, ooh, mercy ma'am
What the hell you doing to me?
Ah, strutting round with your head held high
What you trying to prove, girl? Black haired missy
Big brown eyes
On my knees, mama please
I'm a regal man I'll do what I can
To take you off to the promised land I'm a sun king, baby
Let me take you by the hand
Sun king, honey
We can rule across the land I'm a sun king, baby
With you, I'll share my throne
A sun king, honey
I can't make it on my own, no Hey, look out, little missy's about
Ripping up the town, yeah
Honey, I can't tie you down
Woman, you make me frown Long legged lady with a black dress on
On my knees, mama please
I'm a regal man
I'll do what I can
To t-take you to the promised land A sun king, baby
Let me take you by the hand
Yeah, sun king, honey
We can rule across this land I'm a sun king, baby, baby
With you, I'll share my throne
A sun king, honey
I can't make it on my own, yeah Still got to push the doors
Still, yeah
Looking good now, yeah, feel this, ow, now check this out one time, oh yeah City crawling like a tired dog, yeah
Cult children in the house of the dawn, yeah Time was wasted 'cause it's gone too fast
Time was wasted 'cause it's gone too fast
I see the sun begin to shine
I see the sun begin to shine Sun king, baby, ow
Let me take you by the hand
Oh, sun king, honey
We can rule across the land I'm a sun king, baby, yeah yeah
With you, I'll share my throne

Sun king, honey
I can't make it on my own, yeah Come on now, oh oh oh yeah
Oh oh oh I'm a sun king, baby yeah Oh oh oh, yeah
