He's a Lucky, Lucky Snake

Helen Darling

have you ever had a meal then forgot what you ate was it chicken was it pizza
did you eat the bowl will the snake is very lucky from his head to his toe
all that is yummy in his tummy it will last for hours crawling and devouring you
think what you would say but he could share with his kin ohh what a snake
he a luck luck snake so lucky want food tide up in a streak cool calm no where
to bake he a lucky he a lucky snake that right have you ever had a morning where
you couldn't fine your shoes and your mom yelling hurry and fine the sock you always lose
will the snake is very lucky and his morning is compete he can never lose shoes
and sock because he has no feet something a tracksuit and leave the house
if he get hungry he will eat a mouse he a lucky lucky snake so lucky
want food tide up in a streak calm no where to bake he a lucky he a lucky snake right
smoking smove slimy he a lucky lucky snake so lucky want food tide up in a streak cool calm no where
to bake he a lucky he a lucky snake he a lucky lucky snake want food tide up in a streak cool calm no where
to bake he a lucky he a lucky snake he a lucky snake
