Payphone

Evt

[Megan:]
I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby itâ€™s all wrong
Where are the plans we made for two?
Yeah..

[Dave:]
I know itâ€™s hard to remember
The people we used to be
Itâ€™s even harder to picture
That you're not here next to me
You say itâ€™s too late to make it
But is it too late to try?
And in the time that you wasted
All of our bridges burned down

[Megan:]
I've wasted my nights
You turned out the lights
Now Iâ€™m paralyzed
Still stuck in that time
When we called it love
But even the sun sets in paradise

Iâ€™m at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby itâ€™s all wrong
Where are the plans we made for two?

If happy ever after did exist
I would still be holding you like this
All those fairytales are full of it
One more stupid love song I'll be sick
Now Iâ€™m at a payphone

[Megan:]
Turn your back on tomorrow

Cause you forgot yesterday

[Dave:]
I gave you my love to borrow
But you just gave it away

[Megan:]
You canâ€™t expect me to be fine
I donâ€™t expect you to care

[Dave:]
I know I said it before but
All of our bridges burned down

[Megan & Dave:]
I wasted my nights
You turned out the lights
Now Iâ€™m paralyzed
Still stuck in that time
When we called it love
But even the sun sets in paradise

[Dave:]
Iâ€™m at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby itâ€™s all wrong
Where are the plans we made for two?

If happy ever after did exist
I would still be holding you like this
All those fairytales are full of it
One more stupid love song I'll be sick
Now Iâ€™m at a payphone

[Megan:]
Don't hang up so I can tell you what you need to know
Baby I'm begging you
Just please don't go
So I can tell you what you need to know.

[Megan & Dave:]
Iâ€™m at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby itâ€™s all wrong

Where are the plans we made for two?

If happy ever after did exist
I would still be holding you like this
All those fairytales are full of it
One more stupid love song I'll be sick

[Megan:]
Now I'm at a payphone
