

Body and Blood

A Perfect Murder

Advisory - the following lyrics contain explicit language:

Discipline is the blood of life
Strenght an only friend
No time for sorry
It's just time to move on
I'm the last manCastration
Furstration
You don't mean a fuck to me
Stronger by the hour
What we had is soured
Your thoughts ain't shit to meIntimidation
Domination come the taste
The hate I bleed
I am the new found power
The drug you bow to
Your weakness is all you needAnti-life for the weak
No sympathy for the downtrodden
Will rise above my falls
And crush the doubters one and all [x2]Embrace the fear until the end
Never tinkering about the future
Never considiring the end
Your strenght is all you need
