

# Abnormal

## FOS

Who are you to call me abnormal ?  
Who are you to say ugly ?  
If you only knew how much it hurts me, it hurts me  
I could ask:  
"Have you seen yourself in the mirror ?"  
I'd rather keep my dignity  
Cause it is my right to feel happy, happy  
To pick on the weak gives you strength  
Feeling self confident with you "friends"  
But just because you see me alone  
It doesn't mean that i've got no one to call on the phone  
Everyday, every second of my life  
Is a fight to survive  
Outnumbered, put against the wall  
It's about to get physical  
Who are you to call me abnormal ?  
Who are you to say ugly ?  
If you only knew how much it hurts me, it hurts me  
I could ask:  
"Have you seen yourself in the mirror ?"  
I'd rather keep my dignity  
Cause it is my right to feel happy, happy  
I don't wanna be in this war  
But next time we meet down the corridor  
I'm prepared for the beating and then some more  
And you will not stop when i fall to the floor  
Your friends get it on the fight  
Even though i'm unconscious and i'm covered in blood  
Cannot defend myself  
I can't defend myself  
Who are you to call me abnormal ?  
Who are you to say ugly ?  
If you only knew how much it hurts me, it hurts me  
I could ask:  
"Have you seen yourself in the mirror ?"  
I'd rather keep my dignity  
Cause it is my right to feel happy, happy  
I hate you  
I've got blood in my eyes  
I hate you  
I've got ice in my veins  
I hate you  
I've got blood in my eyes  
I hate you  
I've got ice in my veins  
Who are you to call me abnormal ?

Who are you to say ugly ?  
If you only knew how much it hurts me, it hurts me  
I could ask:  
"Have you seen yourself in the mirror ?"  
I'd rather keep my dignity  
Cause it is my right to feel happy, happy
