Never Surrender

2 Unlimited

Come on!
Come on!
Come on!
Come on!Prayin' for the good times
So'long to the bad times
Baby are you ready
Here we goTurn you up
There's no limit
As long as you're in it
Give it all you gotJust let it show
Are you in for the fast ride
I'll take you out on the wildside
Are you in for the fast rideLivin' life on the faultline
Are you in for the fast ride
I'll take you out on the wildside
Are you in for the fast rideDo it, do it ! You can do it
Never ever never ever surrender
Let all you dreams come true
Never ever never ever surrenderWe will make it through
Never ever never ever surrender
If you want it too
It's all up to youDon't ever surrender
Oh yeah
Never surrender
You've got the powerIt's yours to devour
Go where you have never been before
Never stop when you're winning
It's only beginningYou don't have to fake it anymore
Are you in for the fast ride
I'll take you out on the wildside
Are you in for the fast rideLivin' life on the faultline
Are you in for the fast ride
I'll take you out on the wildside
Are you in for the fast rideDo it, do it ! You can do it
Never ever never ever surrender
Let all you dreams come true
Never ever never ever surrenderWe will make it through
Never ever never ever surrender
If you want it too

It's all up to youDon't ever surrender
Never surrender
Never surrender
Do it, do it
You can do itNever ever never ever surrender
Let all you dreams come true
Never ever never ever surrender
We will make it throughNever ever never ever surrender
If you want it too
It's all up to you
Don't ever surrenderYou don't have to fake it anymore
You'll never surrender
