

What Are We Doin' In Love

Kenny Rogers

We're like summer and winter
We're not one bit alike
We're like satin and cinders
I'm definitely not your type
Well, then what are we doin' in love?
What are we doin' in a mess like this?
What are we doin' in love?
Why were you someone I couldn't resist?
What are we doin' in love?
We're like paper and matches
We'll probably have our share of fights
We're like roses and switches
It's gonna be hard but we've got to try
So what are we doin' in love?
What are we doin' in a mess like this?
What are we doin' in love?
And what are we gonna tell all our friends?
You don't have to like someone
To love someone
That rule was made to be broken
But if we have to say goodbye
To a life we've gotten used to
What are we doin' in love then?
We're like sunup and sundown
People say we're never going to last
Like uptown and downtown
You like it slow but I like it fast
What are we doin' in love?
What are we doin' in a mess like this?
What are we doin' in love?
What are we gonna tell all our friends?
What are we doin' in love?
What are we doin' in a mess like this?
What are we doin' in love?
You were just someone I couldn't resist
So that's what we're doin' in love
