

Fidelity

Regina Spektor

I never loved nobody fully
Always one foot on the ground
And by protecting my heart truly
I got lost in the sounds I hear in my mind all of these voices
I hear in my mind all of these words
I hear in my mind all of this music And it breaks my heart
And it breaks my heart
And it breaks my heart
When it breaks my heart And suppose I never ever met you
Suppose we never fell in love
Suppose I never ever let you
Kiss me so sweet and so soft Suppose I never ever saw you
Suppose we never ever called
Suppose I kept on singing love songs
Just to break my own fall Just to break my fall
Just to break my fall
Just to break my fall
Break my fall
Break my fall All my friends say that of course
It's gonna get better
Gonna get better
Better better better better
Better better better! I never love nobody fully
Always one foot on the ground
And by protecting my heart truly
I got lost in the sounds I hear in my mind all of these voices
I hear in my mind all of these words
I hear in my mind all of this music And it breaks my heart
And it breaks my heart I hear in my mind all of these voices
I hear in my mind all of these words
I hear in my mind all of this music And it breaks my heart
And it breaks my heart
It breaks my heart When it breaks my heart
When it breaks my heart
When it breaks my heart
Breaks my heart When it breaks my heart
When it breaks my heart
When it breaks my heart
When it breaks my heart
