

# I Want to Come Home for Christmas

Ne-Yo

I'd give anything to see  
A little Christmas tree  
And to hear,  
Hear the laughter of children playing in the snow, uh, uh  
To kiss my baby under the mistletoe!  
But I can't promise my eyes this sight  
Unless they stop the fight  
Cause I'm a prisoner of war  
Lying here in my cell,  
Hoping my family is well!  
Wish they wouldn't worry so much about me  
Just try to get us home  
In time for the Christmas tree!  
Oh, yes oh! I want to see snow flakes fall  
I want to see Santa Clause, oh  
I wanna hear jingle bells ringing, oh, oh!  
But I can't promise my eyes this sight  
Oh, unless, unless they stop the fight!  
Uh, uh, uh! Trying to get home again, uh  
I've tried to get home again  
Trying to get home at Christmas time with you, yeah!  
Trying to get home again, uh  
I've tried to get home again  
Trying to get home at Christmas time with you, yeah! Oh, oh baby, oh baby  
I wanted to see snow flakes falling  
And I want to see Santa Claus  
Oh, I wanna hear jingle bells ringing, ringing, ringing  
Oh, I wanna hear jingle bells ringing, ringing, ringing  
Oh, oh, oh I want to see snow flakes  
And I want to see Santa Claus  
I want to see snow flakes  
And I want to see Santa Claus
