The Secret Kind

Screaming Trees

Lyin' in the quiet darkness
Gettin' high alone
Pictures shiftin' out of focus
Not as far to goEyes to the sun
One more blind
Secret kindYesterday is twice removed
Tomorrow's close behind
Alone and unreliable
Windows out of timeEyes to the sun
One more blind
Secret kindLyin' in the quiet darkness
Gettin' high alone
Pictures shiftin' out of focus
Not as far to goEyes to the sun
One more blind
Secret kindEyes to the sun
One more blind
Secret kind, oh
