Crashed

CRASHED
(spoken)â€•...Hey!â€•
â€œHey!â€•
â€œWhat's up?â€•
â€œAh, nothin'.â€•
â€œWhat's the matter?â€•
â€œNothin' really. Well, yesterday when I was driving down Old Canyon Road, I passed the most beautiful girl on her bike.â€•
â€œYeah, and???â€•
â€œWell, honestly â€“ I really don't remember anything that happened after that. â€œWhat?â€•
â€œYeah. The next thing I know.....well â€“ I think I CRASHED!â€•
OUT OF NO WHERE CAME AN ANGEL
AN ANSWERED PRAYER FROM UP ABOVE
I THOUGHT I'D THOUGHT OF EVERY ANGLE TO FIND THE ONE THAT I COULD LOVE THEN YOU WANDERED INTO MY LIFE NEVER THOUGHT YOU'D COME ALONG
(spoken cont.)
â€œWell, are you okay?â€•
â€œYeah, yeah, I'm fine. It was just alittle scratch. And, well â€“ but I haven't been able to get her face out of my mind all day!â€•
(Chorus)
LIKE STARS WE CRASHED INTO THE SUN
WE WERE RUNNIN' OUT OF TIME
AND NOW THAT I'M I'M NOT THE ONLY ONE WHO'S NOT AFRAID TO CROSS THE LINE HEAVEN KNOWS I'VE PAID MY DUES
MOVED HEAVEN AND EARTH TO GET TO YOU

(spoken cont.) (punching phone numbers) â€œHello?â€•
â€œHello, is this Stacy?â€•
â€œYeah?â€•
â€œWell, you're gonna think this is crazy. But, I was driving my car down Canyon Road yesterday and I saw you on your bike.â€•
â€œYeah?â€•
And, well â€“ then unfortunately...I crashed my car!â€•
â€œOMG!, that was you?â€•
â€œYeah. I feel so stupidâ€•
â€œAre you okay?â€•
â€œYeah, yeah, I'm fine; just a scratch or two.â€• â€œOh good.â€•
â€œBut, well..â€•
â€œYes?â€•

â€œWell, I just wondered if you might want to go out some time?â€•
OUT OF NO WHERE CAME AN ANGEL
AN ANSWER TO MY PRAYER
I WAS ALL CAUGHT UP AND LOST AND MANGLED COULDN'T FIND YOU ANYWHERE
THEN YOU WANDERED INTO MY LIFE
NOW I'M SO GLAD YOU CAME ALONG
(spoken cont.)
â€œOh wow...I can hardly believe it!â€•
â€œI know, right?â€•
â€œI mean, what are the chances that this would all work out?â€•
â€œI know. But, I'm glad it didâ€•.
â€œMe too. You know, you took a real chance out there and then by calling me.â€• â€œI know. I'm crazy. But I'd do it
again.â€•
â€œAhhhh,,,,,you better not!â€•
â€œ(laugh)â€•.
(Chorus 1x).
(spoken cont.)
â€œOh wow...did you see that?â€•
â€œWhat?â€•
â€œI think I just saw a shooting star. What are the chances?â€• â€œOh, I think they're pretty goodâ€•.
