Abundant Living

Iceage

I will outnumber
I will outdrink
And crash through borders
Abundant livingIn the gaslights fire
I felt the power
As the mist came down
Hour by hourAnd when I fall
I'll bring it all
Down here with me
Soaked in alcoholIn the gaslights fire
I felt the power
As the mist came down
Hour by hour
In the gaslights fire
We came to power
As the mist came down
Hour by hour
