

# Playa Cardz Right (male)

2pac

This going out to all the females that be having  
To beat them motherf\*\*\*ers in they head to get them  
Off of them, Haha

Another shady mission, tricks, like watchin' pictures in hazy vision  
Tonight is love makin', take you any place you wish  
Today we satisfied, and today we stole them kisses  
Blind insanity, perfect pictures of me and my family

Not understanding it definitely, if they plan for me  
If I have kids, will I live to see them grow?  
Though I don't know, I live the life of a thug n\*\*\*\*  
Until the day I go, no broken promises

A sacred bond broken, I know I die alone  
But yet and still I'm hopin'  
Visions of prisons, maybe I'll be forgiven  
I know it's better in heaven 'cause bein' here ain't livin'

Close my eyes and see nothing but pain, the world is crazy, still  
Lookin' for a queen to plant seeds and have babies  
Maybe I'll be the one or just maybe I'm lost  
You'll never know being cautious, if you playa cardz right

[Chorus]

Player cards right baby (Haha, player cards right)  
Player cards right girl (Take ya time)  
Take your time baby (Be patient)  
Just be patient baby (Don't rush)  
Don't you rush it girl

Uh huh, Luda  
You ain't gotta do that baby  
It's not the hand that you're dealt but how you playin' your cards  
You got a brother feelin' mellow like a Cuban cigar

You truly a star, we'll take the days one at a time  
I think we make the perfect pair, cause you my one of a kind  
I say we make a full house, live out the family dreams

No jokers, no jacks, just kings and queens

And we should leave the clubs alone and take trips to islands  
Give you all of my heart and flood your hands with diamonds  
No more livin' like a player, stop chasin' the hoes  
I never put you in a shuffle, use my ace in the hole

I live a life full of riches we got places to go  
So no bluffin', no rushin', just takin' it slow  
Let your man do the hustling while you lay in the shade  
I'll throw a deuce to the haters, call a spade a spade

And let you know I'll never hurt you, baby girl  
You made me hurry up and wait and I know patience is a virtue  
Haha  
Player cards right baby

[Chorus]

[Repeat: x2]

You're the one, the only one heaven sent for me  
Baby I'm hopin' that you understand, that you still believe  
That I got the special times, on my mind, just hopin' that you see  
Baby that the thug in me is lovin' you, that this is meant to be  
Girl I'll never leave you alone

[Chorus: 2x]

Hahah
