Private Show

Nyne

Yeah, yeah
Check it out, yes
Yeah, yeah, yeah, yeah, yeah
Pink, so hot
Check it out, check it outSilly you, silly me
To let you in and put a move on me
Never once asked for love
Always took it for what it's worth, a memorySee, I don't wanna meet on a lonely street
Where the talk is cheap and the price is sweet
I'm not that girl, I'm not that girl
And you don't wanna see the other side of me
So I'ma hit you off and I'ma set you free
Before you fall too deep, don't fall too deepHe don't know
I'm gon' be the one, who's gonna let him go
Even if he wants to stay, I'll let him go
'Cause all he wants from me is a private show, ohHe's all talk, he thinks he knows
How this game's supposed to go for everyone
Still it seems, he can't see
Thinks he's just usin' me, usin' meBut I don't wanna meet on a lonely street
Where the talk is cheap and the price is sweet
I'm not that girl, I'm not that girl
And you don't wanna see the other side of me
So I'ma hit you off and I'ma set you free
Before you fall too deep, don't fall too deepHe don't know
I'm gon' be the one who's gonna let him go
Even if he wants to stay, I'll let him go
All he wants from me is a private show, ohHe don't know
Maybe if he wasn't such a gigolo
I would let him stay, instead I let him go
All he wants from me is a private show, ohOh, yeah, yeah, yeah
Yeah, yeah, yeah
Check it out, yo
Oh, yeah
Check it out, PinkHe don't know
I'm gon' be the one who's gonna let him go
Even if he wants to stay, I'll let him go
All he wants from me is a private show, ohHe don't know
Maybe if he wasn't such a gigolo
I would let him stay, instead I let him go

All he wants from me is a private show, ohHe don't know
Let him go
'Cause all he wants from me is a private show, ohOh, oh, oh, he don't know
Oh, oh, oh, he don't know
Yeah, yeah, yeah
