Ride

Jordan Hill

You got my heart and soul, something that I think you know
Boy, you're my kinda flavor, yeah
With your kiss, with your touch you make me feel so much
I wanna return the favorIt's pure rhapsody, baby
When you take me up there so high
Don't hold back on me, babyI just wanna ride
(There's no one else for me so take me where I want to be)
This feeling all night long
I just wanna ride
(Until the break of dawn and all the stars above are gone)
This feeling on and on, just wanna rideEvery time you look at me gives me shivers, I can't breathe
What's on your mind, baby
Don' t you know, there are no secrets here just be open I don't care
Let your emotions go crazyMake a list of your wishes, baby
See if I can make 'em all fly
Don't hold back on me, babyI just wanna ride
(There's no one else for me so take me where I want to be)
This feeling all night long
I just wanna ride
(Until the break of dawn and all the stars above are gone)
This feeling on and on, just wanna rideI just wanna ride
I just wanna rideAnytime, anywhere
All I do is think of you and I'm walking on air
Anyplace, I don't care
You're gonna be in my dreams, 'cause my heart wants you thereIt's pure rhapsody, baby
When you take me up there so high
Don't you hold back on me, babyI just wanna ride
(There's no one else for me so take me where I want to be)
This feeling all night long
I just wanna ride
(Until the break of dawn and all the stars above are gone)
This feeling on and on
(On and on and on and on and on and on)I just wanna ride
(There's no one else for me so take me where I want to be)
This feeling all night long
I just wanna ride
(Until the break of dawn and all the stars above are gone)
This feeling on and onI just wanna ride
(There's no one else for me so take me where I want to be)

This feeling all night long
I just wanna ride
(Until the break of dawn and all the stars above are gone)
This feeling on and on
