

How Insensitive

Olivia Newton-John

How insensitive I must have seemed
When she told me that he loved me
How unmoved and cold I must have seemed
When she told me so sincerely Why, she must have asked
Did I just turn and stare in icy silence
What was I to say
What can you say when a love affair is over Now she's gone away
And I'm all alone with the memory
Of her last look
Vague and drawn and sad, I see it still All her heartbreak in that last look
Why, she must have asked
Did I just stare in icy silence
What was I to do
What can one do when a love affair is over
