

Something beautiful

Newsboys

I wanna start it over
I wanna start again
I want a new beginning
One without an end I feel it inside
Calling out to me It's a voice that whispers my name
It's a kiss without any shame
Something beautiful, yeah, yeah Like a song that stirs in my head
Singing love will take us where
Something's beautiful I've heard it in the silence
Seen it on a face
I've felt it in a long hour
Like a sweet embrace I know this is true
It's calling out to me It's a voice that whispers my name
It's a kiss without any shame
Something beautiful, yeah, yeah Like a song that stirs in my head
Singing love will take us where
Something's beautiful It's the child on her wedding day
It's the daddy that gives her away
Something beautiful, yeah, yeah When we laugh so hard, we cry
Oh, the love between you and I
Something beautiful It's a voice that whispers my name
It's a kiss without any shame
Something beautiful, yeah, yeah Like a song that stirs in my head
Singing love will take us where
Something's beautiful It's the child on her wedding day
It's the daddy that gives her away
Something beautiful When we laugh so hard, we cry
Yes, the love between you and I
Something beautiful
Something beautiful
