

Ending Is the Beginning

Suicide Silence

After

Can't be seen with these hands can't be seen

Can't be seen with these hands can't be seen

Can't be seen

Can't be seen, causes everything

Don't you see, causes everything

Can't be seen, causes everything

Give me your hand, reach out I'll crush it

Give me your hand, reach out I'll crush it

Cause is ok

Cause is ok

Nothing can be, something to me, nothing can be, me

Nothing can be, something to me, nothing can be, me

Smashing, lashing, slashing, for the same thing

I say, quit while we are heard

A victim of high tension, and beat me everyday

For what?

For what?

Scream for you lying

Can't be seen, causes everything

Can't be seen, causes everything

Can't be seen
