Get Down

Lonnie Jordan

Tell me, brother, how do you feel
When that pretty little girl over there aint for real?
Tell me, sister, how do you feel
When that dandy haired brother aint for real?You gotta get down, down
Down, down, down, down
You gotta get down, down
Down, down, down, downTell me, people, how do you feel
When the president and the secretaries aint real?
Tell me, people, what youd do
If the runnin of the world is all left up to you?You gotta get down, down
Down, down, down, down
You gotta get down, down
Down, down, down, downEarly in the mornin
Before you eat your breakfast
You gotta get down, you gotta get down
Early in the mornin
Before you eat your breakfast
You gotta get downThe Supercool is your pleasure
And you wanna find somethin better
You gotta get down
Supercool is your pleasure
Wanna find somethin better
You gotta get down[Incomprehensible]
[Incomprehensible]
You gotta get down
Police and the Justice
Laughin' while they bust us
You gotta get downIf youre running the country
Then you aint runnin it funky
You gotta get down, you gotta get down
If youre running the country
You aint runnin funky
You gotta get downYou gotta get down, down, down, down
Down, down, down, down, down
You gotta get down, down, down, down
Down, down, down, down, downDown, down, down, down
Down, down, down, down, down
Down, down, down, down
Down, down, down
