

# Highway In The Wind

Arlo Guthrie (live)

Sail with me into the unknown void that has no end  
Swept along the open road that don't seem to begin  
Come with me and love me, babe I may be back again  
Meantime I'll keep sailing down my highway in the wind Evenings just begin the days and follows with the night  
To love you and to be with you and say that it's all right  
Love me while you have me, Babe I may be back again  
Meantime I'll keep sailing down this highway in the wind There's times I feel like going and there's times I  
want to stay  
Times that I ain't feeling well and times I feel ok  
Now you have time to love me, babe and I may have time again  
Meantime I'll keep sailing down this highway in the wind The fortune teller tells me that I have somewhere to go  
Look and try to understand and wonder how she knows  
So I must be going now I'm losing time my friend  
Looking for a rainbow down this highway in the wind
