Who Wants The World

D-Side

I just can't believe that when I saw you yesterday
You still had that look in your eyes
I just can't believe I let you go and slip away
I guess I wanted more in my lifeI've got everything now
But it's all nothing somehowChorus:
Who wants the world if I can't have you to be my love?
Who wants the world if I can't have you to see me through?Only time can tell you that you've made a big mistake
Now I can't let our time pass me by
I was such a fool to think that I could walk away
When all that really counts is you and II've lost everything now
But you could bring it back to me somehowChorusNow all that things that I thought mattered
All the dreams I had lie shattered
I would give the world away
If I could hold in my arms againChorusI wouldn't want the wourld, if I can't have you.
