Now rip the bones straight from my skin

Straight from my skin

Straight from my skin

Straight from my skin

Straight from my skin

'Cause I am just a kid

Now rip the bones straight from my skin

Straight from my skin

Straight from my skin

Straight from my skin

Straight from my skin

And if I don't make it

I'll lick the blood straight from my skin

Straight from my skin

Straight from my skin

Straight from my skin

Straight from my skin
