

# Jus Right

Robin Thicke

It's jus right, it's jus right  
A million words will never say  
The way I truly feel about  
The one I just can't live without  
Coz it's like that, it's like that  
The way you move, the way you dance  
The way I know the moment when  
You need my love, you need my hand  
And all I wanna do is see you  
All I wanna do is please you  
I'm hypnotized by everything you do  
I hope I'm jus right for you  
[Chorus] And baby I know, you're the only one for me  
And it's right there on your lips  
And it's right there in your kiss  
And baby I know, you're the only air I breathe  
And it's right there on your lips  
And it's right there in your kiss  
Jus right, jus right, jus right (Whoo)

Jus right, jus right, jus right  
Jus right, jus right, jus right  
Jus right for me  
I'll take you here, I'll take you there  
I'll take your body anywhere  
Baby I'll work so hard for you,  
To make your fantasy come true  
Coz it's like that, it's like that  
I got your front, I got your back  
We'll take it slow, we'll make it last  
Coz it's like that, it's like that  
A little bit sweet, a little bit spice  
A little bit naughty, a little bit nice  
Tell me baby that you need me too  
That I'm jus right for you  
(Chorus)  
It's like that, it's like that  
Jus right, jus right
