In My Dreams

Eels

My love is always just as she seems
A force of nature on her own to be reckoned with
Whatever is wrong with me, a kiss redeems
And it's all there in my dreams, in my dreamsMy love is soaring, she glides through the sky
Hardly a warning, she takes my hand
Says open your eyesWe looked down on the earth and all its schemes
We laugh and it's all there in my dreams, in my dreamsWe swoop down below the clouds, destination unknown
And then she says let's go homeMy love is resting under a tree
She whispers softly in my ear as she lay next to me
That was the funnest day, her sad eyes beam
And it's all there in my dreams, in my dreams
