

Notice Me Senpai (feat. Weebl)

[ihascupquake](#)

Senpai, I saw you at school today,
Took your picture then I snuck away,
I want you to notice me
But I'm just someone you don't notice
Still-I-Think-I've got a rival I have to kill. (Kill - Kill)(Oohh) Please notice me, Senpai,
(Oohh) Please notice me, Senpai,
(Oohh) Please notice me, Senpai,
(Oohh) Or others will have to die.(Oohh-aahh) Please notice me, Senpai
(Oohh-aahh) Please notice me, Senpai
Please notice me, Senpai
Or others will have to die. (To die - to die)My heart beats faster when I'm near you,
I get so nervous I don't know-What-To-do,
I don't mean to seem aloof I've got to push
Another student off the roof,
Then I drag a body to the furnace
To destroy all the proof.
Why won't you?(Oohh) Please notice me, Senpai,
(Oohh) Please notice me, Senpai,
(Oohh) Please notice me, Senpai,
(Oohh) Or others will have to die.(Oohh-aahh) Please notice me, Senpai,
(Oohh-aahh) Please notice me, Senpai,
Please notice me, Senpai,
or others will have to die.{Static}{Distortion}
Everyone must die
Only you and I, will be left standing-g-g-g-g-g
Woah! There's blood on my knife
And I don't know why
Oh! P-please why won't you notice me senpai-i-i-i-i-iPlease notice me, Senpai,
Please notice me, Senpai,
Please notice me, Senpai,
or others will have to die.Please notice me, Senpai,
Please notice me, Senpai,
Please notice me, Senpai,
or others will have to die.
