Forgiveness And Permission

Rodney Atkins

Well, I was keeping my powder dry
Till you did more than catch my eye
Barely wearing that mini-skirt you looked so good it almost hurt
I said, baby you're makin' me crazy and you said
It's easier to get forgiveness than permission
So why wait when you know what I'm missing
Now we could keep on keeping our distance
Spend our whole lives wishing when it's
Easier to get forgiveness than permission
I started thinking 'bout the day we met and how lonely I'd be if I had let
My head take my heart outta asking your name
I wouldn't be loving you night and day
'Cause you're so right now if you wanna hold me tight remember
It's easier to get forgiveness than permission
So why wait when you know what I'm missing
Now we could keep on keeping our distance
Spend our whole lives wishing when it's
Easier to get forgiveness than permission
We're not gonna do something tonight
We'll regret in the morning no
'Cause we're gonna sleep till noon tomorrow
It's easier to get forgiveness than permission
So why wait when you know what I'm missing
Now we can keep on keeping our distance
Spend our whole lives wishing when it's
Easier to get forgiveness than permission
We could keep on keeping our distance
Spend our whole lives wishing when it's
Easier to get forgiveness than permission
