

I Like To Dance

Hot Chelle Rae

Click clack shimmer 'n shine
Everybody's in a line now
Dressed up to the nines now baby Silver, shiny, sexy, it's love and
The music's playing so loud
Disco balls and big crowds baby Her eyes, they tell me what I need to know
Your touch tells me where I need to go
My lead will make you wanna get so close Well I like to dance
So if you do just get on the floor
Forget the romance
This is what music was created for
So find someone hot
And if you're not it doesn't matter
Baby take what you got and
Just go dancing you'll feel better I like to dance
I like to dance dance dance dance Lovesick electric sex sparks
are flying all around me
He said, she said "let's leave" baby Fashion lives her life in a dress
and our eyes'll never leave her
The song creates a fever baby Her eyes, they tell me what I need to know
Your touch tells me where I need to go
My lead will make you wanna get so close Well I like to dance
So if you do just get on the floor
Forget the romance
This is what music was created for
So find someone hot
And if you're not it doesn't matter
Baby take what you got and
Just go dancing you'll feel better Lovesick, lovesick, ELECTRIC [x4] Well I like to dance
So if you do just get on the floor
Forget the romance
This is what music was created for
So find someone hot
And if you're not it doesn't matter
Baby take what you got and
Just go dancing you'll feel better
[x2] Lovesick, lovesick, ELECTRIC!
