

# Beat On Repeat

Jet

They got the beat on repeat, yeah, yeah  
They got the beat on repeat, yeah, yeah  
They got the beat on repeat, yeah, yeah  
The beat on repeat  
We are untouchable forever  
You look so put together  
There is good and there is better  
Just like imitation leather  
Daddy wants to know why you love nobody  
I'm married to the world like I'm married to my body  
If you still wanna know, it's because  
Beat's on repeat, yeah, yeah  
The beat's on repeat, yeah, yeah  
They got the beat on repeat, yeah, yeah  
Yeah, the beat on repeat  
I want the soiree, not the worry  
I want the city, not the pity  
I want the mystery girl with the popular handshake  
A hardcore soul but do you scream like a banshee?  
Daddy wants to know why you love nobody  
I'm married to the world like I'm married to my body  
If you still wanna know it's because  
Well, if you still don't know, it's because, yeah  
I wanna pull that lever, yeah, yeah  
So we go down together, yeah, yeah  
Well, we never say never, yeah, yeah  
We just go on and on and on forever  
Beat on repeat, yeah, yeah  
They got the beat on repeat, yeah, yeah  
They got the beat on repeat, yeah, yeah  
Beat on repeat  
One, two, three, four
