

Holy One

Tramaine Hawkins

Holy One

(written by Walter Hawkins)

(recorded by Tremaine Hawkins & also LaShun Pace)

Verse 1:

Day is almost night,
I don't want to lose this fight,
I've fooled around much too long.
Now I've been laxed,
but I don't want to look back
I know that I've done wrong.

Verse 2:

Give me the strength I need
to be able to succeed,
and I will heed to Your every command.
And to everyone I'll show,
my purpose and my goal,
and in You, I'll be able to stand.

Chorus:

Holy one,
I never want to let you down no more.

Verse 2

Chorus

Vamp:

Oh, I'll never let You down no more.
Never (4x),
I'll never let You down no more.

Vamp 2: Never let You down

Ending:

I'll never let You down no more,
never.
