

# Crackers N Cheese

## Eminem

If you really loved me  
the way you say you do  
If you love me half as much  
as I love you  
You would pluck a planet from the sky  
You'd use a star to dot the "i"  
In I love you... that is what you'd do  
You'd take a dreary day  
and you would paint it blue  
If you loved me unconditionally  
These are the things  
that you would do for me  
Because I need you  
Like a fish needs the sea  
Like a fire needs oxygen  
Like a flower needs a bee  
And if you really care for me  
You'd let me video you while you wee  
Standing up in the bath,  
I shouldn't even have to ask  
Perhaps you'll even store  
a little more in a flask  
These are just the things that people do  
When their love for one another is true  
Ba da da  
We go together  
Like a cracker and Brie  
Like racism and ignorance  
Like bling and R&B  
But if you really want to show you care  
You'd let me wear your underwear  
When we visit your mum's,  
it's a bit of harmless fun  
I just like talking about your childhood  
with some lace between my buns  
There's no reason for a big to-do  
If your love for one another is true  
Ba da da  
We go together  
Like a bird in a nest  
Like Internet and porn

Like guns and the US  
 And if you love me  
 like you say that you do  
 You'd purchase forty cockatoo  
 And teach them to fly  
 in formation in the sky  
 And shit the words "Tim is God"  
 on my ex-girlfriend's Hyundai  
 Sure, it might be easier with doves  
 But shirking challenges is not what love is all about  
 Love is not all wine and roses  
 Sometimes it's handcuffs and cheese  
 No-one said love is for free  
 And if you agree with that  
 You'll sing me passages from the Koran  
 wearing nothing but a Bob the Builder hat  
 To the tune of waltzing Matilda  
 I just love the combination of Islam,  
 nationalism and builder(Builder)  
 (Islam)  
 (Nationalism)  
 (And a little bitty builder)  
 (Islam)  
 (Ozzy Ozzy Ozzy)  
 (And Bob the fucking Builder)Because I need you  
 Like a tick needs a tock  
 Like bananas need pyjamas  
 Like a nun needs cock  
 But if you want to put your love for me first  
 You wouldn't go through childbirth  
 You'd agree to adopt  
 so that you could stay thin  
 We'll get a Chinese kid,  
 it could teach us Mandarin  
 And communists don't make as much noise  
 And they're really good  
 at sharing their toysBecause I dig you  
 Like an Aussie digs pies  
 Like Born-Agains dig Jesus  
 Like Jesus dug guysAnd if you love me unconditionally  
 You'd do my tax return for me  
 Cos it's way overdue,  
 and I just don't know,  
 I guess I'm self-employed  
 but do I still pay as I go?

And does the threshold apply to me?  
And should I register for GST  
And if you love me unconditionally  
Would you let me video you while you wee?
