Transcend

Landscapers

You said you want it, you got it

You said you want it, you got itI got the swag, swag for the rap, rap

That makes you wanna move, I know you do

But it's a fact that all I want is

Our message to come through, you know we doYeah, now it's the time for the Crew to rise

Got that fire that's in our eyes

Ain't nobody claimin' we perfect

But the truth can no longer hideWe transcend dependin' on

How we lendin' our ears to all the pretendin'

It's no wonder that all our legends

Are lost in depression'Cause if there's something on your mind

Let me know, know, know

You know we running out of time

Here we go, go, goPay no mind to those who whine

Let 'em know, know, know

And transcend by the divine

Here we, here we, goTranscend

Transcend

(You said you want it, you got it, got it)

TranscendYou see I been around the world

From New York to overseas

Come back home and it just seems

Like no one really misses meHad some friends who had my back

Now they wanna try to front

I'mma love 'em anyway

No lookin' down, I'm lookin' upWe got that hippity, hippity, hippity

Hippity, hippity hop

Won't stop 'til we get, 'til we get, 'til we get

'Til we get, 'til we get to the topI won't deny, we got that live music that vibes

That will make you go locoWe've been through the fire, that's right

It only helped us ignite

A fervent passion to fight

Why you think they signed us? That's rightCan't lie, we were designed to climb

Rely on the fact that Christ died

Don't need lights when he's inside

Made me bright so He can shine Cause if there's something on your mind

Let me know, know, know

You know we running out of time

Here we go, go, goPay no mind to those who whine

Let 'em know, know, know And transcend by the divine Here we, here we go'Cause if there's something on your mind Let me know, know, know You know we running out of time Here we go, go, goAnd pay no mind to those who whine Let 'em know, know, know And transcend by the divine Here we, here we goT-t-transcendYou said you want it, you got it Come and get it, you got it You said you want it, you got it Come and get it, you got it'Cause if there's something on your mind Let me know, know, know You know we running out of time Here we go, go, goAnd pay no mind to those who whine Let 'em know, know, know And transcend by the divine Here we, here we go
