Koo Koo Koo

Moonpools & Caterpillars

Standing alone and Im at the sea
This is it, its the end of a week
Sun is not out but the waters right
Yeah, this is the life for mePelican dives as wind blows me chill
And I think all about my days
A light shines inside and I start to yell
Im not giving into this silly gameKoo koo koo, I may not be a rock star
Koo koo koo but Im not a fool
Koo koo koo, I may not be like you are
Koo koo koo but I'm not a foolI dont know what this has done to me
But I hope it can be reversed
My thoughts will change daily and so do we
Just depends who I talk to firstFeeling uneasy and not like myself
I wonder if Im okay
Then it's comes to me it's all too clear
Its the same old thing on a brand new dayKoo koo koo, I may not be a rock star
Koo koo koo but Im not a fool
Koo koo koo, I may not be like you are
Koo koo koo but I'm not, Im not a silly fool
Not a silly foolKoo koo koo, I may not be a rock star
Koo koo koo but Im not a fool
Koo koo koo, I may not be like you are
Koo koo koo but I'm not a foolKoo koo koo, I may not be a rock star
Koo koo koo but Im not a fool
Koo koo koo, I may not be like you are
Koo koo koo but I'm not, Im not a silly foolNow I know I'll not sleep at night
I don't care if I'm right
This is wrong, this is life and I'm outsideKoo koo koo, I know
Koo koo koo
Koo koo koo
Koo koo koo
Koo koo koo
Koo koo koo
Koo koo koo
