Too Young for Promises

Temperance

(L. Berger)
Ooooh-woooo
Da-da-da-da-da-da-da-da-da
Oh-oh-oh, uh-hhm, uh-hhm, ya (ya)
Too young for promises
I know, I know you see me as your own
And you like that (that...)
I know, I know you hate to be alone
'Cause you are like that
Oceans of passion within your eyes
Don't wanna be your possession before it's time
Too young don't you think (don't you think)
To promise anything (anything)
Too young don't you know
Understand me and let me go
Ooh-ooh-oooooh, too young for promises
Ooh-ooh-oooooh, too young for (oooh-oooooh) promises
I know, I know you've got to prove me wrong
'Cause you're like that (that...)
I know, I know you make me speak your tongue
'Cause you are like that (that...)
Changes of seasons I haven't been through
Don't want you more than my freedom, so what can I do?
Too young don't you think (don't you think)
To promise anything (anything)
Too young don't you know
Understand me and let me go
Ooh-ooh-oooooh, too young for promises
Ooh-ooh-oooooh, too young for (oooh-oooooh) promises
Too young don't you think (don't you think)
To promise anything (anything)
Too young don't you know
Understand me and let me go
Too young don't you think (don't you think)
To promise anything (anything)
I wanna go but you won't let me go
'Cause you're like that, and you are like that (that...)
