

Happy Holiday

Billy Idol

Have a happy holiday
Have a happy holiday
Santas on his way
Have a happy holidayChristmas time is here
Cities cold give good cheer
In each heart of fire of warmth
A happy holiday
In each heart of fire of warmth
A happy holidayHave a happy holiday
Have a happy holiday
Santa rides his sleigh
Have a happy holidayWake up this Christmas day
Presents, toys, children play
Adults gather round and sing
Of happy holiday
Adults gather round and sing
Of happy holidayHave a happy holiday
Have a happy holiday
Santa rides his sleigh
Christ is born today
Santa waves away
Have a happy holiday
