

Your Biggest Fan (Ft. Nicole Anderson)

Jonas Brothers

I never thought I would, did it
Never thought I could
I did it like that, did it like this
Did it like everybody knows
That we got something real, shorty
I know what I feel
So shout it like that
Shout it like this
Listen up, everybody knows
But you, so here it goes 'Cause I never really noticed
Took a while for me to see
Playing back the moments
Now I'm starting to believe
That you could be at the show and know every word
But it's you who makes me sing
And I know where we are and I know who I am
Baby, I'm your biggest fan, oh Every time you smile for me
Takes me a while to bring myself back
'Cause you're all that
And I just had to let you know
That I'm screaming out in the crowd for you
I can't be too loud but I don't care
I let 'em all stare
I just want everyone to know
The truth, it's only you I never really noticed
Took a while for me to see
Playing back the moments
Now I'm starting to believe
That you could be at the show and know every word
But it's you who makes me sing
We may not know where we are but I know who I am
Baby, I'm your biggest fan You showed up and you looked so classy
Made me think twice 'bout the way I was acting
You were real from the start of it all
Like a dream came to life, now I'm left in all
A stars shine but your light is the brightest
Love flies but your love is the highest
You're so sweet that it drives me crazy
A summer like no other, you're my L.A. baby I never really noticed

It took a while for me to see
(took a while for me to see)
Playing back the moments
Now I'm starting to believe
(starting to believe)
That you could be at the show and know every word
But it's you who makes me sing
And I know where we are and I know who I am
(I know who I am)
Baby, I'm your biggest fan, oh
Baby, I'm your biggest fan, oh 'Cause you could be at the show and know every word
But it's you who makes me sing
And I know where we are and I know who I am
Baby, I'm your biggest fan
