Overnight Sensation

King Kobra

Gettin' ready for the shake up
Tonight's the night you steal the show
Yeah, yeah
Crusin' down to the exposition
You laugh to yourself cause they don't know
Yeah, yeahIt's been a long road to the top
You keep on going
Cause you know you'll never stop
But they think...You're an overnight sensation
You got your wish upon a star
The latest thing across the nation
Just an overnight
Another overnight sensation
I see her walking down the boulevard
She wants to be a movie star someday
Yeah, yeah
She gets a call from the picture man
He says, honey, I think you've got what it takes
Yeah, yeahIt's what she's worked for all her life
But they don't know
They say she made it overnight
They say...She's an overnight sensation
She got her wish upon a star
The latest thing across the nation
Just an overnight
Another overnight sensation
Overnight sensation, yeah
You're an overnight sensation
You got your wish upon a star
The latest thing across the nation
Just an overnight
Another overnight
Just an overnight sensationOvernight sensation, yeah
Oh, overnight sensation
Oh, overnight sensation
Oh-oh-oh-oh-oh...
Overnight sensation
