Needle In A Haystack

The Whispers

Well well, I once believed all fellas were nice
But girls, listen to me, take my advice
Girls, you'd better get yourselves onto my track
'Cause findin' a good man, girls, is like findin' a
(Needle in a haystack)
What did I say, girls? (Needle in a haystack)
(She-doop, she-doop, la la)
(She-doop, she-doop, la la)

Girls, those fellas are sly, slick & shy
So don't you ever let 'em get you starry-eyed
Well, you may think their love is true
But they'll walk right over you
Now girls, you should know these things right off the back
'Cause findin' a good man, girls, is like findin' a
(Needle in a haystack)
What did I say, girls? (Needle in a haystack)
(She-doop, she-doop, la la)
(She-doop, she-doop, la la)

Now girls, I say I'm tellin' you the natural facts
'Cause findin' a good man, girls, is like findin' a
(Needle in a haystack)
What did I say, girls? (Needle in a haystack)

I'm tellin' you, girls, you'd better look before you leap
Still water sometimes runs very deep
You'll be sorry when you just jump
& do justice passed by love
Girls, you should know these things right off the back
'Cause findin' a good man, girls, is like findin' a
(Needle in a haystack)
What did I say, girls? (Needle in a haystack)

I say you'd better take heed (needle in a haystack)
Listen to me (needle in a haystack)

You'd better play hard to get
Or you're gonna regret
The day you were born, girl

When he leaves you alone, girl
Good guys are like findin' a (needle in a haystack)
Girls, they're like findin' a (needle in a haystack)
