

Superstarr, Pt. 2 (Babylon Girl)

[k-os](#)

She could turn the sand into glass
She could steal a jewel from the past
She could steal the sun out of the sky
Reach for a star never to highDon't shoot me down
Not that you would
Don't pass me byBaby, she's a superstarr who likes to dream
Baby, says to me, her mind is never gonna change
Baby, she's a superstarr who likes to dream
Baby, says to me, her mind is never gonna changeNever change
(Superstarr, superstarr)
Never change
(Superstarr, superstarr)
Never change
(Superstarr, superstarr)
Never changeIntoxicate my every thought
Try to forget things I forgotAnd don't shoot me down
Not like you would
Don't pass me byBaby, she's a superstarr who likes to dream
Baby, says to me, her mind is never gonna change
Baby, she's a superstarr who likes to dream
(Superstarr)
Baby, says to me, her mind is never gonna changeBaby, she's a superstarr
(Superstarr)
Baby, she's a superstarr
(Superstarr)
Baby, she's a superstarr
(Superstarr)
Baby, she's a superstarr
(Superstarr)
