## White Devil Rise

## **Danzig**

white devil riseyou speak my name, I do not mind to give me credit is so kind I'm flattered that I have your fear you wake the sleeping demon herewhite devil riseI hear the lies brotherhood at my side you call me white, you bet I am now see my beast rise up in flameswhite devil risestare at the ashes of the ages stand a devil up inside pray to a god that cannot help you my beast will feast upon his eyeswhite devil rise
