

The Choice Is Yours (DJ Anointed)

Black Sheep

Who's the Black Sheep, what's the Black Sheep?
Don't know who I am, or when I'm coming so you sleep
Wasn't in my room, wasn't in my sphere
Knew not who I was, but listen here
Dres, D-are-E-S, yes I get suckers start
If it's all right with you, I'll rip this here one apart
Back, Middle, to the front, don't front
Want to a good time, gonna give you what you want
Can I hear a hey?
Now get a yo!
You gotta hay?
It's for the hoes

The styling is creative, Black Sheep of the Native
Can't be violated, or even decepticated
I got brothers in the Jungle, cousins on the Quest
Deaf retarded uncles, in parties were they rest
Guess, which way, what, when, how
Mista Lawnge, Dres, Black Sheep slam NOW
Know you've heard the others, phonies to the lovers

Then of course, the choice is yours You can get with this, or you can get with that
You can get with this, or you can get with that
You can get with this, or you can get with that
I think you'll get with this, cause this is where it's at You can get with this, or you can get with that
You can get with this, or you can get with that
You can get with this, or you can get with that
I think you'll get with this, cause this is where it's at Where's the Black Sheep, here's the Black Sheep

Even if we wanted to the flock could not be weak
Watch me swing like this, why should I swing it like that
Because in fact, on me it might not attract
Therefore I ignore, do as I feel inside
I live with me, I've got my back tonight
Ya know what I'm saying, yo Black, I'm not playing
Need to go with this, or go with that with no delaying
See, in actuality, one be can it be,
I made it look easy, because it is to me
Any time capacity was filled, try to rock it
Any time a honey gave us play, tried to knock it
Never was fool, so we finished school
Never see us sweat, and you'll never see us drool

Out to rock the globe while it's still here to rock
Don't punch girls, and we don't punch a clock
Gotta go, gotta go, see you later by the cat
And you can't beat that with a bat You can get with this, or you can get with that
You can get with this, or you can get with that
You can get with this, or you can get with that
I think you'll get with this, cause this is where it's at You can get with this, or you can get with that
You can get with this, or you can get with that
You can get with this, or you can get with that
I think you'll get with this, cause this is kinda phat Engine, Engine, Number Nine
On the New York transit line
If my train goes off the track
Pick it up! Pick it up! Pick it up! Back on the scene, crispy n' clean
You can try, but then why, cause you can't intervene
We be the outcast, down for the settle
Won't play the rock, won't play the pebble
Open the door, you best believe, we're sliding through it swiftly
Niftily, we can make it hip to be what we are
Cause what we be, be the epitome, Doo, Dah, Dipitty
So now I dwell just to say you're plainer
Hold your cup, cause I got the container
Pass a plater, cross the fader
Black Sheep get play like the Sony Innovator
Never the traitor, party inflater
And you can get a scoop later You can get with this, or you can get with that
You can get with this, or you can get with that
You can get with this, or you can get with that
I think you'll get with this, cause this is kinda phat You can get with this, or you can get with that
You can get with this, or you can get with that
You can get with this, or you can get with that
I think you'll get with this, cause this is where it's at
